

Synergy & Leadership Exchange

Collaborate • Educate • Celebrate

Dear Friend,

Now is the time to help make a difference in the lives of thousands of students, educators and families across the state by investing in the work of Synergy & Leadership Exchange! Your support helps Minnesotans reach new heights in learning by providing expanded educational opportunities for students while supporting and celebrating teachers, schools and community organizations. The programs Synergy supports are highlighted in the enclosed flyer or can be viewed at www.synergyexchange.org.

It's been an exciting year as more than 650 students from across the state were celebrated for their academic achievement at the Gathering of Champions; 16,000 Reach for the Stars catalogues connected educators and families with academic enrichment activities for students to fuel new passions; 180 students, educators and parents attended the "Fostering Student Motivation" training; and 21 educators, schools and community organizations were celebrated for excellence in achievement and character development.

We hope you will consider supporting our efforts to "collaborate, educate and celebrate" by making a donation or becoming a member of Synergy & Leadership Exchange today!

Members & Donors Receive:
